Frequently Asked Questions

Is it necessary that I give Community First Health Plans the name of the provider I have selected for my vision care services?

No. It is not necessary to pre-select your vision provider or to give Community First the name of the provider prior to receiving services. Just select your provider, make your appointment, and identify yourself as a Community First Member to the provider.

Do I need to obtain authorization prior to receiving services?

There are no pre-authorization requirements prior to receiving services.

Can I get my eye examination with one provider and vision materials at another?

Yes. However, each provider will need to make a call to Member Services to verify your eligibility.

Can I combine this insurance with sales offered by the provider?

Although this is not disallowed, most providers prohibit the combination of insurance plans with sales or discounts.
